

## Christchurch, a city of festivals and fun!

New Zealand's southern gateway, Christchurch City, is bordered to the west by the vast Canterbury Plains and the spectacular Southern Alps and to the east by a seemingly never ending beach. It is a city of English charm, a city of style!

Avon River Centra is nestled alongside the gently flowing river from which it takes its name and is on the very edge of the busy Central Business District. Throughout the hotel you will

sense an air of tranquility, of peace. This is due in part to the location, but more to the overall layout of the hotel, the light and airy lobby, the garden setting, the genuine warmth of our professional team.

Offering a variety of guest rooms which are spacious, stylish and comfortable – many affording delightful views of the garden courtyards – Avon River Centra is the ideal choice for business and leisure travellers.

Willows Restaurant is a favourite with guests and locals alike. Savour the very best of Canterbury's farmfresh meats and local produce complimented by a carefully chosen selection of local and international wines.

Enjoy the peaceful and tranquil setting of Avon River Centra whilst you experience the many attractions of the delightful city of Christchurch.
